

NEWS LETTER – 21.05.21

This week . . .

Some of our Year 6 children have enjoyed Bikeability training.

It's been lovely to see children back in school after families have been celebrating Eid towards the end of last week. We hope that families celebrating had a great Eid!

Next week . . .

Children in Y3/4 (classes 10, 11, 13 and 14) can come to school out of uniform on Monday (24.05.21), wearing colourful clothes to celebrate the end of their theme work on colour – kaleidoscope.

Children starting in nursery and reception

Next week, we hope to be able to send out more information to families who have children ready to start school in September. A parent / carer for each child will be invited into school to meet with their child's new teacher next half term.

Just to remind you that school closes
NEXT Friday (28.05.21) for the half term holiday.

This week's saying . . .

Bright eyed and bushy tailed.

Can your child tell you what it means? Can they use it in a sentence correctly?

Attendance

As you might imagine, last week's attendance was really low (just 68.1%), due to children taking time off to celebrate Eid. **Our overall attendance is now 92.1%**, which is much lower than the national average. We will need to work very hard for the rest of the school year to try to improve our attendance levels. Your help with this would be much appreciated. Thank you.
