**FOLLOW YOUR PATHWAY AND GROW WITH CONFIDENCE**

## SUMMER TERM 2021

### Newsletter 15 – 21/5/2021

**The following messages are for both schools:**

**Term Dates @Sutton @Bugthorpe**

A reminder that we break up for half term on Friday 28<sup>th</sup> May and return to school on Monday 7<sup>th</sup> June 2021.

Let's hope we bring back some sunshine for Summer 2.

**Market Stalls @Sutton @Bugthorpe**

As part of our development as an Eco-School, we are working on the purchase of a 'market stall' for each school. This will serve the community at certain points throughout the year, and will provide us with the opportunity to grow and sell our produce. This will also allow our pupils to learn budgeting skills as well as ordering more seeds etc. to grow more products (a real life experience of a production line). We are actively seeking grants from the National Lottery to further develop our school grounds, with the hope of inviting members of the community into school to work with the children in the allotment; we also aim to improve our chicken run. Research suggests, being outside and working together for a common goal, benefits everyone's mental health and wellbeing. Any profits we make from our 'market stall' will go towards our selected school charities.

More information to follow in the coming months on this.

**Trips Next Week @Sutton @Bugthorpe**

Bugthorpe's Reception/Year 1/Year 2 pupils are off on their trip to York on Monday 24<sup>th</sup> May.

Sutton's Class 2 children are heading to Flamborough Head on Wednesday 26<sup>th</sup> May.

We wish them well on our first education visits since Covid-19, and the other classes look forward to their trips and visits over the coming weeks ahead.

**Earth Day @Sutton @Bugthorpe**

Our Eco Warriors have been planning Earth Day with the teachers; slightly delayed date from Earth Day, which was celebrated around the world in April. This will take place on Wednesday 30<sup>th</sup> June. The children would like everybody to dress in 'earthy' colours e.g. brown, blue, green. We are aiming for 'no electricity' all day, including in the School Kitchen; therefore, a cold school meal option will be available so the children can really get into the theme. Teachers will provide a range of activities linked to our world, within the class bubbles.

More information to appear in our next newsletter ☺

**NSPCC Numbers Day 18.6.21 @Sutton @Bugthorpe**

We will be dressing in numbers again on Friday 18<sup>th</sup> June. We got some epic whole school pictures last time with a variety of football shirts, homemade number costumes and non-uniform numbers. Bring £1 to donate to NSPCC.

**Picture News – G7 Summit Song @Sutton @Bugthorpe**

In our Picture News Collective Worship this week, we looked at whether music can make a difference. We reflected on what music we listened to, which brought back memories or made us feel a certain way. We

listened to the G7 Summit Song written by Sir Tim Rice and performed in Cornwall (where this year's G7 Summit will take place). Let's hope Boris Johnson and his world leader friends listen too; watch the video here:

### Big Breakfast @Bugthorpe

### Class Photographs @Bugthorpe

Dress to impress on Wednesday 26<sup>th</sup> May as the class bubbles will be having their class photographs taken.

Sophie's coat has been missing for 4 weeks now. It's a black reversible North Face jacket and has our surname "SCOTT" written on the label inside the left hip pocket. I would be be really grateful if you could check to see if it's accidentally been taken home on left in your child's bag.  
Many thanks  
Kirsty.
