Collective Worship

“And she had a sister called Mary, which also sat at Jesus' feet, and heard his word.” Luke 10:39

Father Sam led us in worship this Wednesday where he continued our theme of ‘friendship’. He explained the importance of listening and making time of one another. He also explained that listening can be difficult sometimes and used a short game to demonstrate this to the children involving lots of noise!

He then asked the children to think for a moment about the following questions.
What does it feel like when someone listens? How can we be good listeners?

Temi and Mohammed, from Year 4 told us that “ it feels good when someone listens and not just thinking about themselves”. Adeeb from Year 6 told us when someone listens it is “respecting opinions and being tolerant of others”. Ellie from Year 6 said that she feels “respected and loved” when someone listens to her.

Father Sam then told the children a story from Luke 10: 38-42 which also taught the story of how important it is to listen. The children learnt an important lesson from this that if we listen, we learn.

St Georges Food Hub Shop

Thank you to all those who came along to support our Year 6's as they ran the St Georges Food Hub. It was enjoyed by all. We do still have some availability Monday, Wednesday and Friday, should you wish to book a time slot. There are some great items available- £3 for 20 items. Please book via the school office.

Parent Governor Vacancy

We still have a vacancy on our school's governing body, for the position of ‘parent governor’. We have advertised this previously, but as time has lapsed due to the unforeseen year passed, and taking into account individual circumstances may have changed, we are asking individuals who expressed interest previously to confirm their interest again. We also welcome any new interest. If this is a position you would like to put yourself forward for this position please email headteacher@stgeorgesb16.com to express your interest. Please submit your interest before Friday 18th June 2021. The next governing body meeting will take place on the 8th July 2021.
