Friday 7<sup>th</sup> May 2021

Dear Parents,

Good afternoon, I hope this short letter finds you well. It has been a funny sort of week with Bank Holiday and then Polling Day yesterday, it seems Friday has appeared out of nowhere!

## Thanks

Thank you to the majority of parents who have sorted out their children's footwear for me - I did another check this week and in nearly all classes all children have black shoes on. For those who haven't got it sorted yet, we will be speaking to parents to see if there is any way we can help and then ordering pumps/shoes for the children to wear.

Thank you to the parents of Year 3 children who attended a Reconciliation meeting at church yesterday. Although not quite back to normal, it was nice to be able to have children and parents together in one place to talk to you about your child's faith journey.

## Relationship and Health Education

I hope that you all received my letter earlier this week about the new Relationship and Health Education programme that we will be starting in September.

There are two introductory, online, presentations on Monday 10<sup>th</sup> May at 11 am and 5 pm - more information and the links for these meetings are on the front page of the website. I am attaching a parental leaflet for you to look at before Monday if you are able to join us online.

## Road re-surfacing

All of Gumbleberrys Close is going to be re-surfaced, starting next Friday 14<sup>th</sup> May, continuing over the weekend and on Monday 17<sup>th</sup> May. This is going to cause massive disruption as there will be no parking.

You will need to consider:

- (i) Can you for two days, Friday 14<sup>th</sup> and Monday 17<sup>th</sup> walk to school if you live close enough?
- (ii) Can you park somewhere away from school, safely, and walk to school from the parking place?

I cannot do much other than warn you - I don't believe there will be access into Gumbleberrys Close by car next Friday and Monday so you need to consider what you are going to do.

Amen
