With faith, we care, share and learn together.

Wednesday 26th May 2021

Dear Parents & Carers

A brief update before we finish for half-term on Friday.

As a means of promoting the love of reading in our children, and also as a fund raising event, we are launching a **Sponsored Read**. The letter, sponsor form and reading log for your child will be sent home today. We would like children to read something every day during the half-term holiday, and with your help, to record how many minutes they were reading for.

After half-term the teachers will continue this log in the classroom until Friday 11th June.

If you can help raise sponsor money it will enable us to buy new books for children to read at school, increasing our enjoyment of reading even more. Thank you in anticipation.

We will have another Road Safety and Wheels Day on Friday 28th May, to remind children of road safety before the holiday. Children can come to school on a bike, scooter or other wheels as we did before Easter.

We break up for the holiday on Friday 28th May and return to school on Tuesday 8th June, as Monday is an INSET day. Our topic for the Summer half-term is "The Seaside".

We have several children bringing their own soap and/or hand cream into school currently. We completely understand the need for this as we are all experiencing sore hands through frequent hand washing. Many of these have been decanted into smaller bottles, so we are unable to check ingredients. Can I ask you to please send creams or soap only in their original container so we can check ingredients carefully, as nut oils are often used as a carrier for liquid soap, and this is unsafe for children with nut allergies.

Thank you for your help in keeping all our children safe.

Any prescribed medicine will need a parental consent form completing, and this can be found on the Home page of the school website.

As always, if you need to chat about anything at all, please let me know.

Geoff Wharton
