Newsletter – Friday 28th May 2021

I hope you are all well. We have had a really great half term in school and continuing to enjoy every minute of having a full house! The uncertainties around the easing of Covid restrictions means that we will continue as we are for the next half term, which means that we won't mix classes for things like sports day. Therefore we will continue to have events in classes and without spectators. Here's to more normal times from September onwards.

Have a fantastic half term break. I thank you for the support you give us and for playing such a brilliant part in keeping us all safe. Thank you.

Take care,
Kerrie

Holidays during term time

Please remember that all holidays taken during term time need to be applied for via a holiday form. Please also note that ALL holidays taken during term time are unauthorised.

Test and Trace during the half term break

School will be closed to all children and staff for 1 week from 3pm on Friday 28th May and therefore the usual emails and telephone will not be in use. However, to enable NHS Test and Trace the email that has been set up for families to inform if their child has symptoms within 48 hours of being in school and then tests positive, will again be in use.

If your child tests positive with COVID-19 after developing symptoms within 48 hours of being in school please inform this email address so that the rest of their bubble/class can be informed that they need to self-isolate and not leave the house for 10 days.

The email address for parents to contact should their child test positive after developing symptoms within 48 hours of being in school is: parentcomms@harworth.snmat.org.uk

This email address will be checked once each day (the latest time of checking will be 3pm, which is the end of the school day) until Thursday 3rd June. After this date it will then be checked on Monday 7th June, which is an INSET day, in case there are any positive cases during the rest of the half term. Please note that this is a no reply email address and you may not receive a reply after you have sent the email, as your email may just be retained for information. You will only be contacted if deemed necessary. Please be aware, if you are contacted it may be from a 'Withheld' or 'No caller ID' number.

The main symptoms of COVID-19 are: a high temperature, a persistent cough, a change in taste or smell.

We are taking part in NHS Test and Trace.

We break up today, Friday 28th May and children return to school on Tuesday 8th June, as Monday 7th is an INSET day.

Tuesday 8th June

Parents are invited onto the playground after school on Tuesday 8th June to view RSE resources for lessons that will be taught during the second half of the summer term. Class teachers will be there to answer any questions.

Tuesday 22nd June
