Dear Parent/Carer,

### **RE: Wrap Around Club**

Following a risk assessment review, we will be operating our wrap around care from the kitchen/ library area as we did before the winter lockdown. Children will be a consistent group and therefore close contact of each other.

#### **Breakfast Club:**

Times remain the same. Ring the doorbell as usual and a member of staff will come and collect your child

#### **After-school club:**

Being back in the main room allows us to re-offer greater flexibility in picking up times. Parents can choose to collect children at any point before 4.30pm or at any point before 5.30pm (including a light tea). Prices remain the same even if you pick up earlier than these times.

Children can be collected from the Sunshine door; please ring the doorbell and be patient as there may not be anyone in the room at that moment. Parents/carers will need to stay socially distant from each other and wear a mask when collecting the children.

#### **Later openings:**

There have been a couple of requests for the after-school club to be open until 6pm as it was previously. The reason that I changed this is because historically the number of children in the club after 5.30pm was always only two or three. This meant that the club was ultimately losing money at this point, due to the ongoing running costs. As an enterprise, wrap-around care was loss making.

However, we will trial offering two nights a week with a later pick up and charge an additional fee for this service. As this is a trial, we will invoice any interested parents separately from the booking system. Once you have registered your interest, further details will be provided. There is an online form to register your interest that was sent by Parent mail separately.

If there is interest, we will offer this from the second week of Term 6.

Kind regards

Mr. Alexander

Interim Headteacher.
