

**Rawdon Littlemoor Primary School**  
*A journey together of learning, happiness and success*  
**Friday 28<sup>th</sup> May 2021**

Our Year 6 have done their end of primary assessments this week. They enjoyed breakfast in school every morning before sitting their tests and celebrated at the end of the week with a trip to Create-a-Shake in Rawdon and a trip to the park. Well done Year 6 for all your hard work!

## Inter House Cycling

When we come back to School after half term on Thursday 10<sup>th</sup> June, we will be having our annual Inter House Cycling competition. Please can children come to school in the PE kits on that day. If your child is in Foundation or Key Stage 1 (Kingfisher, Robin & Dove) then you can bring either a bike or scooter to take part. In Key Stage 2 children will need to bring their bikes. ALL children must have a helmet in order to take part.

## School Photographs

You should have received an order form and photo proof of your child's class photograph today. Each class has a full sized version of the image displayed in their classroom window. If you would like to order a copy, then simply complete the attached order form and enclose your payment and return it to us at school by Wednesday 16<sup>th</sup> June. The order form says 8<sup>th</sup> June, but please ignore this, the photographer was unaware that we are closed for training days then!

## After School Sports Clubs

We hope your children have enjoyed attending the sports clubs after school this half term. These will be continuing until July. One of the Coaches is leaving so he has been saying goodbye to the children and he may have confused them into thinking that the clubs have finished – but they haven't! There will be a new Coach replacing him.

## Information on International travel and children Travelling Abroad

The government announced that from Monday 17 May, international travel can gradually resume as destinations are added to England's 'green list'. We have been asked to remind parents and carers that people should not travel to 'amber' and 'red' countries, and that strict rules on testing and quarantine remain in place to protect public health and the vaccination programme. Further information can be found in the [guidance on red, amber and green list rules for entering England](#).
