

Robins Class Newsletter 28th May 2021

Love • Kindness • Self-Belief • Aspiration

What have we learned this week?

We cannot believe it is the end of another super half term, the children in Robins Class have worked so hard this week and this half term. We were all very excited to hear fairies are about and the Robins have been thoroughly engaged with searching for fairies and writing them letters, please add your photos and notes on tapestry if the fairies visit your house! In phonics we have continued our phase 4 learning, everyone is working hard to learn the tricky words please keep reading as often as possible and practising the tricky words at home. In maths we completed our number exploration of the number 15 with super explanations such as “15 is 5 groups of 3 - Edward” and “You can’t split it in half, it’s an odd number! - Sophia”

We hope everyone has a fantastic half term; we look forward to seeing you safely back at school on Monday 7th June 2021.

Thought of the week

This week we shared the story ‘The Invisible’ and began to think about making a difference. The Robins are working hard to be a team, following our school rules and living our values, kindness, aspiration, self-belief and love.

Stars of the week

Kindness – Leo

Aspiration - Sophia

Home Learning

Enjoy half term with your family, practise the tricky words listed in your reading record on tapestry and read as often as possible.
