

Starlings Class Newsletter 28th May 2021

Love • Kindness • Self-Belief • Aspiration

What have we learned this week?

This week we have enjoyed doing even more planting! We were thrilled to see that our beansprouts had begun growing, and this inspired us to plant some more things! It's was a great opportunity for discussing weight and capacity as we worked together to move the bags of compost and fill the pots using spades.

This week we also filled our class kindness jar so we discussed what we would like to have as a treat. The children had some brilliant ideas so we narrowed it down to four options. We then took a class vote and we ended up enjoying ice-lollies, what a lovely treat!

During playing and learning time, we have thoroughly enjoyed imaginative play, becoming builders, making our own blue prints and then constructing. We even visited the café for a 'coffee' break!

It has been a brilliant half term, wishing you all a restful break ready for Summer 2!

Home Learning Challenge

To be super helpful at home.

Can you help unpack and sort the shopping? Can you help tidy up your toys? Can you pair up the shoes?
