With faith, we care, share and learn together.

Wednesday 9th June 2021

Dear Parents & Carers

Welcome back to school as we all enjoy some long awaited sunshine.

Our topic for the Summer half-term is "The Seaside". (But unfortunately term-time holidays can't be counted as educational visits or research)

The sunny days are very welcome, but they do mean we need to be sun-aware:

- Please apply sun screen before school, it should last all day.
- Please send children with a sun hat.
- Please send children with a water bottle.

On Thursday 17th June we have individual photographs of the children. These will be taken in school and the proofs will be sent home for you to consider purchasing prints.

Thursday 24th June is our next meeting of the School Governing Body.

Some of you will be aware that all National tests and assessments for infant children have been suspended this term. The teachers continue to complete internal assessments, and I can reassure you that all our children are making progress academically and socially. We will issue an end of year report for each child this term. These will be a little briefer than in previous years, reflecting the disruption we have experienced to some curriculum areas.

On Monday 19th July at 6.30pm we will say farewell to our Year 2 children at the Leavers Service. More details to follow.

School closes at 3.15pm on Thursday 22nd July for the Summer holiday.

School will re-open for children on Monday 6th September (Thursday 2nd and Friday 3rd September are INSET days).

As always, if you need to chat about anything at all, please let me know.

Geoff Wharton
