NETBALLING SUCCESS

Following on from the success of our wonderful football team, we are absolutely thrilled to be able to announce that our netball team have been equally as successful. Mrs Maguire and Mrs Borgeat were hugely impressed with their attitude, behaviour, sportsmanship and, of course, quality. After playing seven matches, they only conceded seven goals—this is amazing in a game of netball. Some of our netballers were also in the football team so we clearly have a bunch of keen and skilled athletes who will hopefully continue to represent their school—whether this be St. Anne's or the secondary school they join in September. Thank you to Mrs Maguire and Mrs Borgeat for training them so well and teaching them the rights and wrongs of demeanour before, during and after the games. Well done also to the other children who trained with the children week in, week out, to help get them to this point:

- ◇ Montreal
- ◇ Yafiet
- ◇ Sandile
- ◇ Praise
- ◇ Precious
- ◇ Fatou
- ◇ Ropa
- ◇ Toby, Elma-Rose, Johnson

GO APE

Thank you to those parents who have returned their consent forms for Go Ape. If we could have those outstanding as soon as possible, we would be really grateful

Thank you

SCHOOL PHOTOS

Can we please remind you that photographers are in school next week to take our annual class photos. These are a lovely keepsake for children and their families.

HOT WEATHER

Finally, it seems like warmer weather is on its way and hopefully here to stay. Can we please remind you to ensure that your children have a protective hat, have already applied sun cream and that they have a filled water bottle (with water) as they arrive to school. Our classrooms do get very hot and a fresh drink is really needed. Can I please also remind you that it must be a water based drink. We have had occasions when milkshakes and carbonated drinks are being brought in. Milk drinks are totally inappropriate for this weather. Bottles are not kept in the fridge and they will turn unpleasant in this heat. Carbonated drinks do not fulfil our healthy school pledge and should not be brought into school. Thank you

PE KIT

Thank you so much to the vast majority of our parents who have improved their child's PE uniform. The children are looking much smarter, and much more like they are getting ready for a PE lesson rather than a non-uniform day. Your support with this is very much appreciated. As a reminder, children should be wearing plain navy shorts, leggings or joggers (black is fine for now if you have already bought them) and a plain white t-shirt.

WEEKLY MASSES

The children will probably have told you that we are now attending mass again every Thursday. This is a wonderful opportunity to share in the celebration of mass without having to actively take part. Next week it should be the turn of year 2 to visit but Father is, unfortunately, away. Weekly masses will resume the week after on 24th June.

STAFFING FOR NEXT YEAR

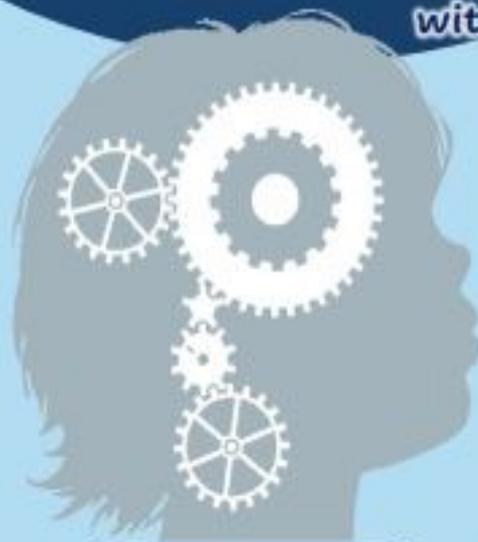

I appreciate that by now I would have usually let you know who your child's teacher would be for the next academic year. Due to circumstances beyond my control, I am not in a position to be able to do so just yet, but rest assured I will let you and the children know as soon as all the arrangements have been finalised. Thank you

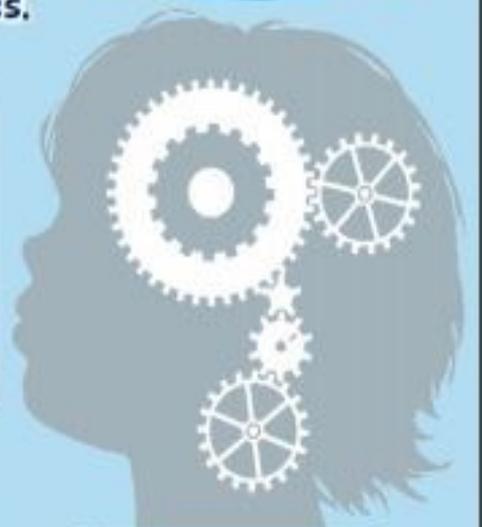

Love one another, as I have loved you, in our home, school and parish families.
