Friday 11th June 2021

Dear Parents

Welcome back to school for our final half term together in Foundation. The children have come so far this year and gone through so much together. They have all made wonderful progress and we are very proud of all of them. We are definitely going to enjoy our final half term together and have lots of fun! Our topic this half term is "Animals." We are starting by looking at minibeasts and bugs and will move on to learning about under the sea animals and then we will ask the children what kind of animals they would like to learn about. We have started our minibeast topic in quite an exciting way as we have some baby caterpillars in our classroom. The children are looking forward to observing them as they grow and change.

The children had a fantastic time during our cycling session this morning. We were amazed at how fast they can go!

End of the Day Times

Just a reminder that the classes have swapped times at the end of the day again. Finish times are now

Goslings; 3.10pm. Ducklings; 3.25pm.

Sunny Weather

At last we are having some beautiful weather and the children are enjoying having lots of outdoor play. Please can you put 8-hour sun cream onto your child in the morning before school. Please do not send sun cream into school as we are unable to fully supervise this. Thank you. Please send a named sunhat as well as a named raincoat every day. Thank you.

Reading Books

We have put two new reading books into every child's book bag this week, and we have practised the sounds and tricky words. We haven't put a comment onto Tapestry this week due to time restraints.

Things to Practise at Home

- Read your child's reading books and pop a comment onto Tapestry.
- Go on a bug hunt in your garden. Can you find a worm? A spider? A bee? A beetle? Remind your child that bugs are animals too and we mustn't ever hurt a bug.
- Write an independent sentence describing one of the bugs you found. Can you use a describing word?

That's all for this week. If you have any questions please don't hesitate to come and speak to a member of the Foundation team.

Have a lovely weekend.

Regards

The Foundation Team.
