

# TURNFURLONG TIMES

Friday 14th May 2021

## Hannah Gold Author Visit

Year 6 had an extra virtual author visit today with Hannah Gold author of *The Last Bear*. She talked about climate change and her love of animals.

Hannah will be virtually visiting with the rest of the school in the Autumn term!

Thank you to all families who have contributed to The BookTrust today by wearing their Pyjamas to school! We will let you know next week how much you have raised!

## Year 6 Production

Year six have started rehearsing for their end of term production. There are lots of details yet to be sorted, but we will keep you informed about how this will be organised.

## PGL

We have provisionally booked a residential visit to Tregoyd in Wales for March 2022 for **BOTH** the current year 3 and the current year 4. This is an amazing residential and we wanted to give the opportunity to both year groups. More details to follow shortly!

## Thank you!

Thank you to the families who have purchased books for the classrooms via our Amazon wishlist, the children are really appreciating the new books that they are able to read! If you would like to purchase a book for the class, [please click here for information](#).

We are also accepting donations of new books to the library, so if you are sorting out books at home and have any that you think the children would enjoy, please send them in!

## Changes to PE days

A quick reminder from the letter sent out yesterday that PE days may have changed from next week, here is the new list.

Class	PE Days
3T	Tuesday- PE / Friday- Swimming
3J	Tuesday- Swimming / Friday- PE
3S	Monday Swimming / Tuesday PE
4T	Monday & Thursday
4J	Tuesday- Swimming / Thursday PE
4S	Monday & Friday
5T	Tuesday & Wednesday
5J	Tuesday & Wednesday
5S	Wednesday & Thursday
6T	Tuesday & Friday
6J	Monday & Friday
6S	Monday & Friday

Remember that we can no longer accept cash or cheque payments at the school, even for charity events.

Please ensure all payments go through the Schoolgateway app.

Thank you for your understanding.

## Multiplication Tables Check – Year 4

In June, Year 4 pupils will have an opportunity to take the optional Multiplication Tables Check (MTC). The purpose of the check is to see whether pupils can fluently recall their times tables up to 12.

The MTC is an on-screen check consisting of 25 times tables questions. There will be 3 practice questions before moving on to the check questions, children will have 6 seconds to answer the questions. It is a similar style to the TTRocks questions and the children will have an opportunity to try a test check so they know how to answer.

For June 2021 due to Covid -19 the MTC is optional and school's performance data will not be published. We will receive pupil results and will share them with you.

Keep practicing all your times tables, chanting, singing, whatever helps you to remember. Further information for parents/carers can be found at:-

<https://www.gov.uk/government/publications/multiplication-tables-check-information-for-parents>
