

11th June 2021

Message from Mrs Noonan

We are now in the last half term of the school year. Where has the time gone?

I hope you all had a wonderful half term holiday, we were very lucky to have such lovely weather. Children have settled well back into school with lots going on. Year 5 & 6 met the headteacher from Fortis Academy, who came in to support with transition. Year 3 have had a great week with a workshop on animation art.

Before the holidays and earlier this week, we sent out a google form for parents/carers to complete, regarding our return to school in September and some of the COVID measures we currently have in place. Thank you to those of you who have already completed it, however, we would like as many of you as possible to have your say, so please complete this as soon as possible. As you know, your feedback is very important to us and where we can, we will act upon your suggestions.

Please ensure that every day your child brings their water bottle and with this lovely weather a cap or hat and sun cream applied for the day.

Have a lovely weekend, the sun is set to shine for us again.

Best Wishes
Mrs Noonan
Principal

With a new school year fast approaching, and children growing quickly, please think ahead to September for your child's uniform.

Your School Uniform have informed us that they are now getting ready for orders for September.

Don't delay, get your order for jumpers and cardigans in with them as soon as possible.
Click on the link below to order NOW!

Current Year 2 - School Dinners for September

A reminder for children receiving **Universal Free School Meals** in current Year 2. From September when year 2 transition to year 3, children will no longer receive **Universal Free School Meals**. Should you wish your child to continue having a school meal, they are charged at £2.20 per day (£11.00 per week) and payable a week in advance via the ParentPay app.

For those children entitled to Free School Meals, your entitlement will continue as normal and no payment will be required.

Our school meals are nutritionally balanced and offer a varied daily range, from a cold sandwich, fruit, yogurt and pasta to a lovely roast dinner.

WINNERS

A massive well done to the following children who are this week's Reading Eggs champions and have each won a chocolate egg each. Who will it be next week?.....

NURSERY - Beau

R WALES - Aminata

R SCOTLAND - Khadijah

1 IRELAND - Caiden

1 AUSTRALIA - Kieannah

2 CANADA - Rosie

2 U.S.A - Jacob

3 FRANCE - Carl

3 SPAIN - Toby

4 ITALY - Madison

4 POLAND - Amber

5 INDIA - Jayden

5 BRAZIL - Ismail

6 CHINA - Anjana

6 JAMAICA - Pratiksha

Sports Round Up

The European football tournament starts today (EUROS). In celebration of this and to keep children interested in sport, we are doing a class sweepstake, so make sure to ask your child what country their class has been given. The winning class will get a small prize.

In PE this half term, children completed lots of fitness tests. We started them at the beginning of the year just to see how children have progressed in P.E.

Ask your child what tests they have done in P,E this week and whether they have beaten their previous score.

Also, look out in the coming weeks for news of sports day for the children and details regarding their dates and times.

REMINDER

Children must bring their book bags into school daily.

Attendance Matters

Reporting your child off sick or have an appointment for your child?

Please contact Mrs Crosbee on:

Tel: 0121 675 4038 or email kraenquiry@kingsrise.org

2021

National Online Safety®

All National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one issue of many which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

How to Set up PARENTAL CONTROLS for PRIVACY Android Phone

The settings on an Android device allow you to set certain rules to help safeguard your child's privacy when they are using it. For example, you can turn off location services to keep their whereabouts private; prevent third-party apps and sites from viewing their information; and stop apps from accessing other functions of the phone (like the camera or microphone, for example). We've produced step-by-step guides on how to tighten up an Android phone's privacy settings.

How to Set up PARENTAL CONTROLS for PRIVACY iPhone

The privacy settings on your child's Apple device give you control over the information stored on it. This allows you to select which apps can access features and information on your child's device; for example, you might wish to block a social networking app from connecting to the camera reel, or specify which apps can use the device's location data.

How to make changes to privacy settings

You can block certain apps from obtaining information from your child's device. You can also prevent your child (or anyone other than you) from altering these settings.

- 1 Open 'Settings'
- 2 Tap 'Screen Time'
- 3 Tap 'Content & Privacy Restrictions'
- 4 Scroll to 'Privacy'
- 5 Choose the settings you wish to restrict
- 6 After you've made any changes, select 'Use Screen Time Passcode' to lock your changes with a PIN

How to prevent changes to other settings/features

You can also stop changes being made to the iPhone's other settings or features by anyone but you. For example, you can prevent your child from altering their passcode, accounts or mobile data settings.

- 1 Open 'Settings'
- 2 Tap 'Screen Time'
- 3 Tap 'Content & Privacy Restrictions'
- 4 Scroll to 'Allow Changes'
- 5 Select 'Allow' or 'Don't Allow' on the settings for which you wish to enable or disable changes
