Nurturing Hearts and Minds

Worship Reflection

There may be times when there is an expectation for us to speak in front of others. Some of us may find this easy and feel confident, whilst others may find this more difficult. It is important for us to support each other and our differences.

Father God,

We pray for anyone around the world who is in a situation they find uncomfortable. We pray no-one feels isolated, scared or unsafe. We ask that You place Your loving arms around them so they may know the comfort of Your love. Please open the hearts of others involved to help them become more tolerant, empathetic and non-judgmental. We ask this in Your Holy name.

Amen.

Lunch menu next week – Week 1

New Cohort 2021

Please remember to collect your documents from the school office for Tuesday's Zoom meeting.

We have had such a wonderful week in school. Despite the bubble challenge we have been busy celebrating the Euros and our Sports Day. We have done our best to make everything as special as we can without families to cheer the children on. The children's attitude has been absolutely fantastic and they have made the absolute most of every opportunity. The sportsmanship, the talent and the pure happiness for each other has been such a pleasure to watch. Of course all of these things take fantastic organisation so thank you so much to Mrs Edmondson and to Phil for planning everything. Aldi, Costa and Tesco all donated prizes so thank you so much to them too.

Hundreds of ice pops have been donated by Vinnie, step dad to Oliver Snape, who is always so kind to our school. A lovely way to treat the children, thank you.

Sadly, the theatre group has had to postpone again. As the rest of the school will get to enjoy this in the autumn I was keen that Year 6 get to enjoy something. The man who runs the theatre group is going to come and work with the children in Year 6 for a day. The children will choose the theme of this workshop.

The PTFA are also treating the children to another wonderful experience at the end of term-two days of archery and a climbing wall with trained instructors. We wanted to say a huge well done and thank you to the children for being so amazing throughout 16 months. They certainly deserve this.

Please can I thank you for your understanding with all the decisions we have had to make, it is so hard but schools all around us are closing bubbles so we must continue to follow the rules. Have a good weekend and Happy Father's Day on Sunday to all our wonderful Dads.
