Dear parents, pupils, governors, staff and parishioners,

This week 'assessments' have been the theme of the week! The children have all been superb in their attitude and effort with everything they have completed. We look forward to sharing their achievements with you all soon. We will also be using this data very carefully to make sure that our children have the correct support in place for September as they continue their learning journey. Our children have achieved so much this year and we are incredibly proud of their continuing resilience and perseverance coping with another lockdown and ever changing global pandemic. These assessments won't tell the whole picture of all the extra achievements the children have made but we know how wonderful each and every child is and will continue to celebrate this.

Parent Consultations

On Wednesday 7th July we are still planning to have face to face parent consultations so that Teachers can give an accurate update of where your children are working and what their next steps will be. For Year 1-6 the meetings will run from 1.30pm – 7pm on the 7th July. For Reception appointments will run from 3.30 – 7pm.

From Monday sign-up sheets will be attached to the windows outside the school offices for you to book a slot for a meeting.

The consultations will take place in the hall so that they can be social distanced. We ask that you do not arrive more than 5 minutes before your appointment time. Appointments will be no more than 10 minutes long. You will be asked to give details for track and trace and also wear a face covering whilst inside the building.

Sun cream and sun hats

During the sunny weather and warmer months, please apply sun creams to your child/children before coming to school and ensure they bring a water bottle and sun hat.

Sports Day

On Wednesday 30th June we will be having our Sports Day. Can all children from Year 1 upwards wear their House Colours to school that day so they can take part in all of the activities planned. All children need to have trainers on. We are hoping to have a picnic lunch with the children – children that are usually on school dinners will be able to order a deli bag that day. Alternatively, you can send your child to school with a packed lunch. We will be taking lots of photos to share with parents as we are unable to have an audience this year.
