This Week at Wheatfield

The purpose of this week's newsletter is to provide you with information about our staffing structure for next year. We have shared this information with children this afternoon and teachers have already said a quick 'hello' to their new class. Later in the term, every class will get to spend a session with their new teacher in preparation for September.

We hope you find this information useful – please speak with us if you have any questions.

Phil Winterburn - Headteacher

Welcome back to Mrs Moon who is returning to teach Year 4 after her maternity leave. We are also welcoming Mrs Davies and Mrs Bibby back from maternity leave – they will be job-sharing in Year 3 with Mrs Davies working Monday, Tuesday & Wednesday and Mrs Bibby, Thursday & Friday.

Teaching assistant support for next year is still being finalised and children will get to meet any teaching assistants working with their class during their transition session.

We hope that publishing this information three weeks before the end of term, gives children time to get to know their new teacher and go into the summer break feeling positive and confident about September.

Welcome to Mrs Holbrow

You will notice one new name on our staff team for next year – Mrs Holbrow is an experienced teacher who joins us from Redfield Edge Primary. I am sure you will make her feel very welcome.

And Goodbye to ...

We are saying goodbye to Miss Evans (who has been with us for four years), Miss Devine (who has been with us for two) and Miss Pagett (who has been covering for Mrs Moon). I am pleased to report that all three have new teaching jobs and are feeling excited about their new challenges (but sad to say goodbye). We will give them a proper send off at the end of term!

Wheatfield Plus Times

If your child attends Wheatfield Plus after school club then a quick reminder that sessions finish at 6.00pm Monday to Thursday and 5.30pm on a Friday. Out of courtesy to the team, we ask that you do your very best to arrive no later than these times. 😊 Many thanks.

Printer Cartridge Re-Cycling

Recycle your ink cartridges to help support both the school and the environment!

At Wheatfield, we are always on the lookout for ways to encourage recycling and we have recently registered for a scheme that helps us to do both that and to raise money for our school at the same time. You can now bring your old printer cartridges to us for recycling. When we have enough, we will send them away and receive a donation in return. Please place used cartridges without any packaging or new/unused cartridges in original packaging in the small collection bin next to the clothes recycling by the front gate.

You have to be in it to win it! Tickets coming soon - £1 each. 😊 Thanks for your support.
