## Important dates and notices

### Bubble closure

Sadly, we had to close our Year 2 bubble this week, due to two children testing positive. This was extremely upsetting as it was their Sports afternoon and they came to school dressed in their Team colours ready for their sports day and then had to be sent home. Please, please, please be vigilant and follow guidance. We really do not want any of our children to be poorly or ask bubbles to isolate. Children need to be in school among their friends and school family. We must avoid more upset. We have lovely activities planned to mark the end of this school year & we do not want our children to miss out.

### Sports Days

The Sports afternoons have been a huge success this week. Thank you to all parents who have followed our guidance and advice and followed the rule of 1 adult per pupil and no siblings. I would also like to thank our PE leader, Mrs Shaw for organising these events and Mr Crowther from Premier Sports for delivering and leading the activities. Great team work.

### Parents' Consultations

Week beginning 28<sup>th</sup> June - Teachers are holding Parents' meetings to feed back about children's progress. Please check your PING messages to make sure you've booked your slot. End of Year school reports will be sent out Friday 9<sup>th</sup> July and will look slightly different to the previous years' layout.

### Sacramental Programme for Year 4 pupils

Thank you to parents who have signed and returned the Enrolment forms.

We will be leading the first 2 of 5 sessions of the 'With you Always' programme on **Mon 28<sup>th</sup> June** and **Mon 5<sup>th</sup> July in school 3.30-4.30pm**.

Parents are not permitted to attend due to the Covid restrictions.

### Mr Breslin

We had a visitor this week! Mr Breslin came into school on Wednesday to see all the Year 5 children and thank them for all their get well cards, wishes and gifts. He also found George Gallagher from Year 6 and thanked him for his valiant effort, fundraising over £1000 for Leukaemia UK.
