'Pupils are very happy at school, enjoy their learning' (Ofsted 2017)

Y2's Road Safety Training

On Monday 7th June, Year 2 took part in the road safety training scheme. They worked together to learn how to cross roads safely in the Mersey Drive community. Year 2 worked very hard on spotting any Hazards and they used the 'look right', 'look left' method to walk as fast and as safely across each road.

Well done year 2 for your amazing work!

Eye spy with my little eye...

The Eco Team have been busy in the quad. They've been pulling up the weeds and sorting out the pond area. They discovered a range of mini-beasts in their habitats. Our aim it's to have transformed the quad ready for September!

Can you see what they discovered?

Mersey Drive H.E.R.O.

Congratulations to all those children who were a Mersey Drive H.E.R.O. last half term

Each week we celebrate the class with the best attendance. Lots of classes have been improving their attendance each week. The class with the best attendance is entered into a prize draw. The Rigby Bear draw was won by **Year 1** last half term. Year 1 enjoyed a movie afternoon with popcorn.

Sun Protection

Please ensure that your child comes to school with sun protection which is appropriate for the weather for that day. This could be applying sun cream before school as well as bringing a bottle of lotion to school, clearly labelled with your child's name. When buying lotion make sure that your child's skin is protected from harmful UVA and UVB rays by checking the cream is SPF 30 or above.

School Photographs Reminder

Quick reminder that school photographs will be taken on **Thursday, 24th June**.
