

Newton's Weekly Newsletter

Week Ending 25th June 2021

Dear Parents/Carers

We have had a very hard-working week at Newtons as the children have been trying their personal best in their end of term assessments. This has included reading, writing and math tests, which have given the children the opportunity to showcase what they have learnt over the last term. In addition to this, Year 4 had participated in the National Multiplication Times Table Check and have impressed their teachers with their speed and accuracy when recalling their times tables. For more information on this please visit: <https://www.gov.uk/government/publications/multiplication-tables-check-information-for-parents>

This week, we have been attempting to defeat the evil peppers in our 'Eat Them to Defeat Them' campaign to raise awareness around healthy eating. The children have had the opportunity to touch, taste and smell a range of different peppers and our fantastic cooks have created several delicious recipes for the children to sample including egg muffins and pepper pizzas. Alongside this, Newts class – who achieved the highest attendance last week – have had the enjoyable experience to cook with our school kitchen and thoroughly enjoyed made making their own delicious delights! Keep a look out on Facebook for the instructional video to try your own at home.

As part of our mission to become a nature friendly school, our teachers have completed their last training session with Emma from Wildlife Trust around engagement and learning outside of the classroom. Therefore, we hope that your children are coming home and sharing the wonderful learning experiences that they have had in and around our marvellous grounds.

Please continue keep up to date with all the fantastic things your children are doing by visiting our Facebook page and our website, as we regularly post photos, videos and information for you to enjoy.

Have a great weekend

Mrs Connolly and Mrs McClenaghan

Every Day Counts!

Attendance is very important in ensuring that children maximise their learning and prevent gaps in their knowledge from happening. Our whole school attendance this week is a disappointing **94%**, which is below our target.

Well done **Panda Class** for achieving the highest attendance this week.

You will receive the delicious cookies to share with your class and the cooking reward time!

Red Zone = below 90%
Amber Zone = below 95%
Green Zone = above 95%

Class	Attendance %	Class	Attendance %
Squirrels	98.72	Crocodiles	92.13
Mice	89.33	Penguins	94.44
Hedgehogs	89.32	Canaries	88.51
Foxes	96.49	Dolphins	95.47
Newts	98.76	Pandas	99.15
Woodpeckers	91.01	Geckos	93.1
Meerkats	98.33		

Stars of the week

Class	Star	Class	Star
Squirrels	Samuel	Crocodiles	Ryan
Mice	Elif	Penguins	Theo
Hedgehogs	Dayim	Canaries	Jaimee
Foxes	Tommy	Dolphins	Summer and Skye
Newts	Jerel	Pandas	Farha
Woodpeckers	Ollie	Geckos	Meerab
Meerkats	Ella	Ducklings	Nontano
Chameleon	Everyone!		

Values Super Stars

Great – Recognising all our successes in everything we do

Ismail – Fox class
Zaara– Penguin Class
Aviel– Crocodiles
Lida – Meerkat Class
Aaban– Squirrel Class
Esther– Dolphin Class
