## TRANSITION

We will be holding our transition day for all children next Tuesday, when they will be able to experience their new class and teacher for the day. We have fully risk assessed the day in line with our Covid – 19 guidance. The day will be followed by a virtual transition meeting for parents at 6.30pm. All details and links are in a letter which will be sent by email later today. Please don't worry about which door your child should enter on the day; class teachers will tell the children and we will send out alerts to individual classes and be outside to direct you.

## Extra Closure Day 2022

Due to the extra bank holiday next year for the Queen's Platinum Jubilee falling in half term, school will be closed on Monday 6th June 2022. This is in addition to the dates you have already received.

## COVID Update

Thank you to all of you for following government guidelines which has enabled us to keep school open. Many schools both locally and nationally have had to close bubbles and it is due to the efforts of parents, staff and children that we have been able to maintain a consistent education for the children.

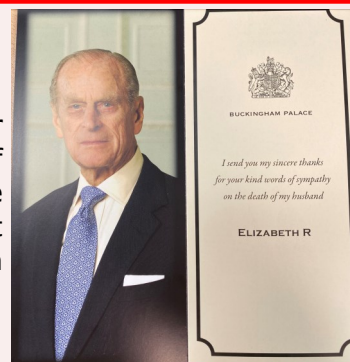

Numbers in our area are rising at a faster rate than in the rest of Kirklees with 218 per 100,000, which is a twofold increase from last week.

Holmfirth High School currently have 3 full year groups working remotely due to Covid cases.

We are keeping everything crossed that we can make it to the end of term without having to close a bubble. Please remain vigilant, maintain social distancing and get tested if you or your child show symptoms of Covid and do not send them to school! Please stay safe. Thank you for your support.

## ROYAL MAIL

We were touched to receive a card from Her Majesty the Queen thanking us for the cards of sympathy written by all classes following the passing of Prince Phillip. so it is of paramount importance that we remain vigilant and maintain social distancing at all times.

## LAST WEEK OF TERM

Please can all pupils bring in a heavy duty bag to school on Monday 19th July so they can take all of their work home to share with you.
