COVID CLASS RETURN DATES

Dear Parents/Carers

Apologies once more for the inconvenience caused by class closures this week. Unfortunately our hands are tied in terms of decision making as we act upon advice and protocols set by public health and the government.

We have spent most of today gathering all the data received from families regarding positive PCR test results. Below we have identified return dates for each class. The only year group we can't confirm at the moment is Reception. We are awaiting test results from a family and we will text you over the weekend. Best case scenario would see a return of Monday 5th July, worst case scenario would see a return date of Monday 12th July.

Children who had to isolate due to breakfast club contact need to return on Monday 12th July. Due to staffing shortages the before and after school club will only be open to working parents next week.

Thank you for your support and understanding.
