

Health and Fitness Fortnight 2021

Next week sees the start of our Health and Fitness Fortnight. Could I take this opportunity to remind parents that children should come into school wearing sports clothing that will allow them to engage in the planned activities. Please could I ask that children refrain from wearing cropped tops or other such items. The children are welcome to wear PE kits and will need a hat, a water bottle and have applied sun cream if appropriate.

Sports Day

Next week, as part of Health and Fitness Fortnight, the children will be taking part in Sports Day. As previously shared, unfortunately, due to COVID-19 restrictions, parents are unable to attend these events. We will however, be sharing updates via Twitter for parents to view.

As usual, the children in Y1 to Y6 will be competing to win points for their allocated houses. The children have been informed of which house they are in, and the younger years will have received a letter stating this. We would therefore ask that the Y1 - Y6 children, all come into school on Tuesday 6th July wearing the appropriate colour T-Shirt. The colours are as follows:

| | |
|-------------|--------|
| Egerton | Yellow |
| Brindley | Blue |
| Bridgewater | Red |
| Ellesmere | Green |

Regarding Early Years, on Wednesday 7th July, Nursery need to come in wearing a t-shirt that reflects their colour grouping, this helps with organisation. Reception do not need to wear any specific colour for their event.

Poppet Fidget Toys

We have seen an increasing number of children bringing 'Poppet' fidget toys into school. I would like to remind parents that this is not allowed. They are proving a distraction to children and are causing issues regarding lost items etc.

Year 5 Anderton Centre Visit

In September, the current Year 5 will be taking part in a one night residential visit to the Anderton Centre. As this will be the children's first experience of attending a school residential, we would like to invite parents to an online meeting on Tuesday 6th July at 5:00pm. The session will provide parents with the necessary information about the centre and the activities the children will be completing. This information will also be shared in school with the children. Login details for the session will be emailed out separately to first contacts.

For Information - COVID-19 Organisation

Please note, school guidance remains unchanged and are still operating the 'bubble' system.

Y6 Crucial Crew - Permission

Please can parents email school to confirm consent for their child to attend the visit on Tuesday 6th July.
