Dear parent / carer,

Please see the arrangements for the year 2 leavers' concerts below. We are holding them on the school yard and in line with current guidance STRICTLY only one adult per child may attend. We will ensure that the seating will allow for social distancing, therefore face masks can be removed once seated. Adults will be allowed to take photos or video the performance, but we ask that images of other people's children are not shared on social media.

Once the performance is finished we ask adults to remain seated until the children come back into school. Following afternoon performances if you wish to take your child home, you will be able to collect them from the usual Y2 doors on the yard.

We are keeping everything crossed for good weather, but please be prepared for showers!

I really appreciate your understanding at this time, as we are determined for these performances to go ahead, despite numerous positive cases of COVID in school at present. I am sure you will agree that if we can allow for your children to perform for you despite these restrictions it will be worthwhile!

Thank you so much for your fabulous children – they are such a delight and a credit to you!
