## Worship Reflection

Our world is full of special and unique places. Some will require our care to ensure they are protected and will still be here in years to come!

***God our Father,***

***We ask your forgiveness for our thoughtlessness, our carelessness and our lack of foresight which has led to the pollution of the environment and the current climate emergency. We pray that you guide and help us to be better environmental guardians as we try to protect and care for our world.***

***Amen.***

## Birthdays this week

*Happy birthday this week to: Isla Williams, Thomas Kirby,, Isaac Hardacre, Jenson Trusch, Jake Cuming, Christian Bly & Finley Hogarth.*

### Levy Fund

*We are still accepting voluntary donations of £10 per family for the Levy fund. Thank you.*

### Lunch menu next week – Week 1

*Just a reminder that on our return to school in September meals will be increasing to £2.35 per day. A form will be coming to all parents of the current Year 2 children to ask if they want a school meal in September as they will no longer be on free school meals.*

### PE T Shirts

*There will be an opportunity to buy the white PE T shirts at slashed prices next week. As they are only uniform for another year Justs know they won't sell them at full price. School has bought what is left and will send out an order form next week.*

I am sorry to start with sad news but I think many of you will know already that Mrs Christine Wadsworth's son died suddenly on Sunday. Christine is one of our lunchtime assistants who has worked at Mary Mags for 13 years. She was looking forward to retiring next week but sadly life has dealt her a very cruel blow. It is clear from social media that Matthew was very well thought of. If you knew and liked Matthew please take the time to let Christine and Nigel know how you knew him and what you thought of him, it will be information that will be treasured by them when they have chance to process things. I know you will keep Christine, Nigel, their daughter Yvonne, and all Matthew's family and friends in your prayers.

Eternal rest give unto Matthew O Lord and let perpetual light shine upon him, may he rest in peace. Amen.

As you can imagine Euro Fever has taken over school and we are all very excited for Sunday night. Wouldn't it be wonderful? For once I don't mind living in a football mad house. As many of the children will be up way passed their bedtime registers will not close until 10:30am on Monday. Obviously we appreciate many of you will need to get to work anyway so school will be open at the usual time. We will do something nice with the children who come in early. Oliver Snape's Dad kindly donated hundreds of ice pops for Sports Day. We have plenty left over to help us with our celebrations on Monday. Here's hoping!

Come on England!!

Enjoy the weekend

Mrs Gallagher

## Thank you PTFA

The children have absolutely loved the climbing wall and archery treat. Thank you so much to the PTFA for funding this. I hope you enjoy the photos on the website.

Year 6 also enjoyed working with a real life actor on Tuesday. Andrew Sumner, founder of Initiate Theatre who will be doing a show for the whole school in September loved working with the children and helping them make their Matilda show even better.
