

# Watermore Primary School

Frampton Cotterell, Bristol

## Message from our new Headteacher

I can't believe the time has finally come to write to you all. My name is Lisa Rawcliffe and as most of you will be aware, I have the great pleasure of being the new Headteacher from September. When I was looking for a headship, Watermore had everything on my wish list – just the right size, right location, great kids and families – even a snazzy new building! I am passionate in taking the school onto the next phase of its journey, focusing on maintaining the excellent results achieved whilst building a knowledge rich, engaging curriculum that will prepare your children for life's next steps.

The community spirit of Frampton Cotterell is something to be cherished and capitalised on. I like to work closely with the parent community as I believe this brings about the best outcomes for children. I am hopeful in the new year we can bring back all the well-loved traditional events that place the school at the heart of the community and enhance that with opportunities for you to find out more about the school's curriculum and your child's learning journey.

It has been a really challenging year for all schools and particularly Watermore, with all the added stress of getting to grips with a new site. I would like to take this opportunity to thank all the staff in all departments for keeping things going and for making me feel so welcome on the couple of occasions I have been able to visit. An extra special thanks goes to Miss Hodge for guiding the school in 2021.

Pupils of Watermore, I can't wait to get to know you all! Change can be a worrying thing and I'm sure you will have some concerns about me -is she strict, is she funny, is she kind? Well, I would say I can be all of those things depending on the circumstance! What you do need to know is that I am always fair, I will always listen to you and I've got your back! Have a fantastic summer, making the best of the opportunities that come your way. Stay safe and I will see you all fresh and raring to go in September.
