Non-Uniform Day

SCN8A Fundraiser

Please wear hearts, purple or the number 8

Friday 23rd July, the last day of term will be a non-uniform day in order to raise money for SCN8A UK & Ireland, a charity that supports sufferers of SCN8A and their families.

SCN8A is a very rare genetic disorder that affects fewer than 450 people worldwide. This rare disorder causes a range of symptoms that frequently includes severe drug resistant epilepsy with seizures that are often prolonged and typically start in the first year of life. Many children have multiple daily seizures that can lead to regular hospitalisation.

This is a cause that is close to the school as the brother of one of our older children was diagnosed with SCN8A EIEE13 at a young age and we would like to support the family.

Donations to the SCN8A UK & Ireland charity can be made via their Virgin Money fundraising page

[Virgin Money Giving | SCN8A UK & Ireland](#)

More information on the condition and the charity can be found here www.scn8a.co.uk

SCN8A UK & Ireland

Dedicated to improving the lives of children and adults with SCN8A and their families.

This week at Parish...

Cotswold Class have been learning about rock pools and creating their own treasure maps.

Dalesbred, Dorset Downs and Oxford classes all had a great time learning about the Stone Age and had a go at jewellery making, creating arrowheads, drawing cave art, making bread and making clay pots

More photos will follow next week.....
