

Dear Parents/Carers

Whilst COVID has had a dramatic effect on all our lives, there have been many positives, and for us, the most striking has been the way in which our school has responded to the crisis. School staff have worked tirelessly over this period with the wellbeing of all pupils being at the heart of every decision made. Feedback from staff across the year groups has been positive around learning and how pupils have accepted the changes to their daily routines.

As Governors we have been able to continue with our responsibilities by holding virtual Full Governing Body meetings, monitoring duties, reviewing/updating policies, financial/strategic planning and duties required by LEA. If you would like further information about Governing Body, please see school website or contact Mrs Gash, Clerk.

Every family has been impacted differently and no doubt it will still take time to fully get back to normal but, with the sense of teamwork and community spirit, September holds the promise of something special as we continue to achieve best outcomes for every child.

Over this last year we have all been made aware of just how important it is to look after our mental and emotional wellbeing. Staff have signposted a wealth of information, guidance and contact details on the school website for you to access at any time over the summer break.

We would like to extend our best wishes to all the Year 6 Leavers as they begin the next stage in their education. Some of you have been at Tedder since Reception and some joining the school along the way. You should ALL feel exceptionally proud of yourselves over this past year - together you made history! Good Luck! Keep in touch.

We would like to say a big thank you to all the Midday Supervisors who have worked so hard to ensure lunchtimes are safe and still fun. Best wishes to Mrs Turton for a full and speedy recovery. Thank you to Friends of Tedder PTA for your continuing support and fundraising activities.

My final biggest thank you is to all the parents/carers and pupils for your continued support for the school and the fantastic learning during the year.

Have a happy, restful, safe summer break.

Kindest regards

Mrs Johnson
Chair of Governors / Parent Governor
