 Friday 11th February Friday 27th May

The first day of the new school year will be **Thursday 2nd September 2021**.

The Bushy Bulletin

Working Together, Learning Together, Growing Together

Summer 6

9th July 2021

Not long to go now! So much going on in school at the moment, but the main thing is that the children are having fun and enjoying their learning. Transition morning was a real success, we thoroughly enjoyed welcoming the Year 2s to Bushy and it was wonderful to go around the school to see the children engaged in their tasks. The next couple of weeks will be a culmination of finishing topics and getting ready for the end of term.

Sports Day

The children loved their Sports Day in their year groups and it was lovely to see so many participate in a range of activities. The dodgeball tournaments were great fun (and very loud!) and today's relays were a fantastic way to finish the programme of events. Many congratulations to **'Beech'** for winning the House Cup this year! District Sports results to be announced soon!

Step 4 of Roadmap

As you will be aware, the government have announced that, subject to data being stable, from 19th July there will not be as many restrictions in place. Whilst they have announced that there will no longer need to be bubbles, we will keep current arrangements in place till September. I will set out all of these new arrangements in the final day's newsletter - please make sure you read it carefully ready for the new academic year.

Please be mindful that there have been a number of COVID cases locally, so continue to follow the guidance - get tested and self-isolate as advised.

Last Day of Term arrangements

Children to arrive at normal time (by 8.50am).

Year 6 will leave through the traditional arch at 1pm. We will then cordon off the grass area (where our musical cow is) to allow time for final goodbyes.

For the rest of the school:

The children will leave via the usual exits at:

Maple - 1.10pm

Willow - 1.15pm

Hornbeam - 1.20pm

Beech - 1.25pm

**No Teacher Led clubs
next week.**

Have a lovely weekend!

Good luck to the England team!!!

Dorner

Sayers Croft report

Year 4 had a wonderful two days at Sayers Croft. One of my favourite activities was the river study, I really enjoyed learning about the water cycle, making our own river and measuring the height of the meanders. I also enjoyed putting mud stripes onto my face, it was so fun! Secondly, I really loved the wood compass trail. Finding the numbers and directions was fun but the best part was learning how to communicate better while trying to find the numbers. Lastly, I found the blind-fold maze scary yet fun. Leading Esmee around and her helping me was a great memory and I now have even more trust in her.

Amelia 4BD

PTA Committee

We have an amazing committee who organize a range of activities and events to raise funds for the school. Most committee members take on a role for 2 years and so a number of members will be coming to the end of their term this Summer. It is a fantastic way to be involved in the life of the school and you know that the funds really benefit all the children. If you are interested in finding out more/taking on a role, please contact myself or pta@bushyhilljs.net.

Bugsy Malone

A huge congratulations to Hollie Ellis who has secured a part in Bugsy Malone at the Rhoda McGaw theatre this August.

Break a leg Hollie!

Summer Reading Challenges

[The Reading Agency's Summer Reading Challenge](#) have partnered with the World Wildlife Fund this year to deliver 'Wild World Heroes' a celebration of reading that will inspire children to stand up for the future of the planet. Children can take part in the challenge at their [local library](#) from July 10th.

Surrey Libraries will also be working with colleagues from Surrey Countryside to help deliver 'Surrey Nature Explorer' aimed at children aged 4-12. Libraries will be distributing Nature Explorer Passports, stickers, and an overview of activities that will encourage children to explore the beautiful outdoor spaces and fantastic libraries in Surrey. The challenge will run from July to the end of September. Children who complete all 15 activities can enter a prize draw for a fun day out at a Family attraction in Surrey.

Thinking of returning to your role as a healthcare professional?

This message goes out to all parents, carers and members of the local community who may once have been a healthcare professional such as a nurse or midwife and now considering a return. Returning healthcare professionals have a key role to play in ensuring patients and service users have access to experienced and well-trained care staff equipped with the right skills. Health Education England (NHS) provide funding to support the pathways to return and are keen to support or answer any questions you may have if you are considering returning to perhaps nursing, midwifery or If you trained as an allied health professional (AHP) or a healthcare scientist (HCS) but have since left the profession.
