The Keighley Catholic Centre has been closed during the Covid-19 pandemic and is now in need of roof repairs and some internal decorating. The use of the Centre has been limited for a few years and has become a drain on parish resources to repair and maintain the building. After discussion with the Diocesan property department, we are looking at the possibility of leasing the building to a suitable firm or charity. The parish will continue to own the building but this arrangement will bring a reasonable income to parish funds. We have the use of the large empty class rooms downstairs in St. Anne's School for the sacramental preparation programme. The Good Shepherd Centre with its new facilities is also available for parish events.
