Dear Parents,

A message of welcome at the beginning of the new academic year. I hope that this year will be a trouble-free year enabling the staff and the pupils to enjoy a full normal year in class. In order to help support with the Covid matter.

Social distancing between adults very important and children should be kept near at all times and not allowed to play around after their release from the class teacher.

**I know you will be keen to see your child at 14.50, but collection at 15.05 is totally fine as well!!!!**
