With faith, we care, share and learn together.

Friday 3rd September 2021

Dear Parents & Carers

I would like to welcome you all back to school, particularly our new Reception children and their families. To maintain the safeguards introduced last year, I will be at the school gate to meet you and greet the children between 8.30am and 9.00am. Parents of Reception children can accompany them to the outdoor learning area to say farewell until the children are confident and settled. At the end of each day we will bring the children to you at the gate between 3.00pm and 3.15pm.

As you know we have an agreement with The Shoulder of Mutton for parking. They very kindly allow parents to park for school drop-off and pick-up. This should only be for 5 minutes at a time and must be in the parking spaces owned by the pub. Several adjacent properties own their own parking spaces which are all clearly signed, so please do not park in these spaces.

Children will need their book bag and water bottle every day please. Please keep reading books inside the bag so teachers can change them frequently. We are able to use reading diaries this year, so please comment on your child's reading when you hear them read.

PE will usually be on Tuesday and Thursday afternoon, and PE bags can be left in school. Please ensure each item of PE clothing and school uniform has your child's name in to avoid losing clothes.

We will have Show and Tell each Wednesday. Children can bring something special into school to show, such as a swimming medal, certificate, photo, map of an attraction, etc. We prefer not to have toys, so if children are keen to show a toy please get them to draw it or photograph it and bring the picture in to show and talk about. Children without something to show will still have the opportunity to tell any news they have.

I am looking forward to seeing you all on Monday.

As always, if you need a chat about anything at all, please let me know.

Geoff Wharton
