Temporary Closure of KS2 Yard Gates

Dear Parent/ Carer,

From Monday 6th September, the bottom gate onto the KS2 (Junior) yard leading from the boating lake and the green side-gate from the KS2 staff car park will not be in use. This is due to essential boiler maintenance work, which requires a section of the boiler house to be cordoned off for health and safety reasons.

From Monday morning, Y3 pupils will need to come into and be collected from school via the hall door (opposite staff car park).

We expect this will be a temporary measure for approximately 3 weeks and will let you know when access resumes, apologies for any inconvenience.

Yours sincerely,

Mrs Page
Head Teacher
