School Communication App

Apologies for the confusion with teachers' names on the Communication App. Unfortunately from the school admin side we are unable to update the teachers/class names section on the app. We are patiently waiting for E-printing to do this, hopefully this will be sooner rather than later!

In the meantime please continue to use the Communication App for booking school dinners, milk and for communicating with school. We will endeavour to ensure all communication get passed on to the correct person.

Thank you for your understanding.
