Dear Parents,

Welcome back everyone. Yesterday went well and I hope we continue to run smoothly.

I need your help to make sure all our children are safe. We now have several children who have a severe nut allergy, such that they have an epipen. Our school dinners contain no trace of nuts but we are worried about packed lunches. For some children even touching the skin of a child eating nuts could trigger a dangerous reaction.

Please can you make sure there is nothing in your child's lunch box containing nuts.

Thank you for your help.

Yours sincerely

Martine Buckley
