With faith, we care, share and learn together.

Friday 10th September 2021

Dear Parents & Carers

The children have settled in quickly after the Summer holiday and managed a full week back at school very well. The good weather has helped us to have a smooth start with outdoor activities too. I wanted to inform you about a few changes over the next few days.

Reading

We are busy buying new books to read in school and add to those bought last term. Once we have them, the children will bring home a new picture book to share with you and a reading book which they should be able to read with just a little support. Please ask the children to treat the books with care and keep them safely in their book bag. Thank you.

Governors

We have recently had two vacancies arise on our Governing Body. We urgently need to fill these vacancies. Full introductory training will be supplied, and the rest (as in most roles) will be learned on the job. Governors typically meet once each half-term, and no single Governor is an expert or makes decisions alone, everything is discussed and decided as a Body. It is a great way to find out more about your child's education and support your school, so if you can spare the time please contact Debbie Hobson by phone or email (above). Thank you.

Contact Details

Lots of things change during a year, so please inform us and provide updated details if any of the following have changed since last September:

Home address, mobile phone number, email address, emergency contacts, your child's medication/allergies. Thank you.

As always if you would like a chat, about anything at all, please let me know.

Geoff Wharton
