

## Robins Class Newsletter 10<sup>th</sup> September 2021

**Love • Kindness • Self-Belief • Aspiration**

### What have we learned this week

We've had a gorgeous first week in Robins class! The children have loved familiarising themselves with their new learning environment as well as making lots of new friends in their class. This week the children have done lots of playing and learning including painting, drawing, reading, constructing, role playing and singing.

We have been learning about this week's We Love to Read book 'The Colour Monster' and have had lots of conversations about how we can apply what we have learnt from the story to our own lives. We also learnt new words from this book such as **vibrant**.

Next week we will begin our Maths and Phonics lessons as the children become more settled with their new class and routine.

### Thought of the week

In our outdoor learning session we learnt how to conduct our own risk assessments in order to keep everybody safe!

### Stars of the week

Love – Faith

Self-belief – Izzy

### Home Learning Challenge

Can you explain to your parents how to do a risk assessment outside?

### Reminders

Just a reminder that children only need to be bringing book bags to and from school – anything other baggage can be left in our cloakroom!

Also it would be really appreciated if all children could bring a pair of wellies into school as the weather is beginning to change and we will be starting to do more forest school activities.

Finally, all parents can now upload wow moments to tapestry if you would like to share with us!

### School Dates

Fridays – Celebration Assembly (we aim to invite parents from Oct onwards)

23 Sept – Parent drop ins

29 Sept – Jump4Heart fundraiser

18 Oct – Harvest Festival
