"After many months of working alongside Parish Primary, we are delighted to formally welcome the School to Yorkshire Causeway Schools Trust. The hard work and dedication of staff and children within the school is clear to see. I have no doubt that the School's unwavering commitment to providing the very best for every pupil will continue to have a positive impact on outcomes for all the children at Parish, both now and in the future. We are looking forward to continuing to get to know the whole school community over the coming months."
