13<sup>th</sup> September 2021

Dear Parents,

We currently have 3 positive covid cases within school.

As you are aware, the new rules are that classes don't close as under 18s and adults who are fully vaccinated do not need to isolate.

This has implications, as the cases have more potential to spread and we then run the risk of not being able to operate certain classes due to staff absence, as well as your children possibly bringing infection into your home.

As such, I would ask you to be highly vigilant and err on the side of caution. If you have a case in your home, it is highly likely that this will spread to the rest of your family and bring the infection into school. If you have any doubts then please take your child for a PCR test.

We obviously want to minimise disruption to all and ask for your cooperation in this.

Kind regards,

Mrs Clarkson
