Year 6 Tours

Dear Parents and Carers,

In line with the vast majority of Havering secondary schools, The Brittons Academy's Open Evening (due to take place on the 30th October 2021) will now be virtual. The Empower Learning Academy Trust have made the decision to change to a virtual event in all their schools to support the health and safety of all staff, students, parents and the wider community. This decision was made after much discussion and deliberation, as we understand the merit and value of being able to visit your child's prospective school.

To enable parents/carers and their children to visit the academy, we will be increasing the number of pre-booked risk-assessed guided tours and these will be available both within and after the school day. We trust you will understand this decision and look forward to welcoming you to The Brittons Academy for a tour.

To book, please use the following link: **Year 6 Tour**

Alternatively, you can use the link on our website or call the academy reception who will complete the booking form on your behalf.

Yours faithfully,

Ms N Wickenden
Assistant Principal
