'Love each other as I have loved you' John 15:12

Newsletter week ending 17th September 2021

Mrs Truslove writes

Huge congratulations from all of us to Mr & Mrs Wilkinson on the safe arrival of their beautiful daughter Florence, we are all looking forward to meeting her very soon. Mr Wilkinson assures that this is the final Wilkinson baby but we will wait and see!

A very big well done to everyone in Year 6 who took part in the Bikeability course this week. You all worked hard and when the course had finished the instructor came to find me to say what a pleasure it had been to spend time with you. It is lovely to hear that you made such a good impression on our visitors. Congratulations - we are so proud of you.

Mrs Barnes/Mrs Truslove – Red class

Reception children are getting on extremely well and we are really enjoying getting to know them. Year 1 are working hard on number bonds up to 10 and we will be concentrating again on this next week in maths. We are also trying to form letters and numbers correctly - any help from home will be helpful.

Mrs Gibbins – Green class

Homework is in the green book. Tables for next week are the 2x. I have included a couple of ideas to help you with practise. We use them in class too.

<https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check>

Hit the button – you can find it for free.

Times table adventure songs on YouTube.

All of these are familiar to your child, so they will be able to locate them.

We have started looking at the life of Florence Nightingale and the children are enjoying finding out all about her. Rocks are still a big hit, which is great.

Mrs Pickles/Mr Wilkinson – Blue class

Next week in maths we will working on place value, Roman Numerals and some addition methods.

We are moving on to the 4x table next week.

Homework this week:

There is a different homework task this week instead of the spelling homework sheet – this is a Geography revision task about the continents and oceans.

Yr6: Maths: 2 pages in the CGP books (p.4&5) on Place Value.

English: 3 pages in the Grammar book on synonyms and antonyms (p.8, 9&10).

Yr5: Maths: 2 activities on Mathematics on multiplying by 10, 100 & 1000..

English: 2 pages in the Grammar book on adverbs (p.10&11).

Yr4: Maths: 2 activities on Mathematics on Place Value.

English: 2 pages in the Grammar book on pronouns (p.8&9).

Community News

East Haddon History Society/East Haddon Village Society

Members of the History Society will already know that before Covid 19 intervened, the committee put forward a proposal to alter the remit of the society to also include speakers on other topics, and to enable it to organise other types of events. This would lead to a change of name to The East Haddon Village Society. Since there were no objections to this proposal the committee decided to go ahead with these changes.

We are delighted to announce that meetings will restart in the Village Hall in September according to the program outlined below:

	SPEAKER	DATE
23.09.21	Mike Ingram, Historian	The story of Fotherinhay, The Execution of Mary Queen of Scots
21.10.21	Merrick Baker Bates, Diplomat	The people I have met: from a long-serving foreign office diplomat's perspective
25.11.21	Geoff Stone, Photographer	A photographic and musical presentation of wildlife, nature and war memorials at home and abroad
TBC	Andy Barnwell, Aviator	Concord: a pilot's cockpit memories

Annual membership fees will remain at £10 renewable on 22 April 2022. We will charge just £5 for membership from September 2021 to March 2022. There are approximately 10 talks per year, so very good value. Occasional visitors can attend for just £3 per talk.

Meetings begin at 7.30pm with social chit-chat (wine is available) while the committee and speaker set up equipment. Talks begin at 8pm and the meeting closes by approximately 9.30pm. Appropriate Covid 19 measures will be in place. Special arrangements can be made for the vulnerable and disabled. Everyone is welcome.

Proposals for new topics and events include:

Talks from local businesses and visits to places like museums, breweries, manufacturers, and other places of interest or talks on:

1. Natural history and agriculture
2. Members' interesting trips
3. Interesting careers
4. UK and foreign travel

Also, there is the possibility of member research groups focusing on specific local history with reports on their findings and perhaps a regular newsletter. The list could go on and suggestions would be welcome.

Unfortunately, for personal reasons, two committee members need to reduce their input and so the committee would really appreciate some additional members. If you would be interested in joining the committee please contact John Beynon at: allanjohnbeynon@btinternet.com

SATURDAY TRACK CLUB

Rugby & Northampton Athletics Club are pleased to announce a new 6-week athletics course for young athletes in Northampton and surrounding areas. It runs from Saturday 2nd October to Saturday 13th November.

This course will give an introduction to the track and field events – running, jumping and throwing and is suitable for all – from total novices to more seasoned athletes – no experience required – just lots of energy.

The emphasis will be on fitness, skills and fun!!
