Golden Book Assembly and Walk Round the School

It was lovely this morning to see so many parents back in school to celebrate Golden Book Assembly with all the children; we have missed this important event in our weekly school routine. Thank you to all the parents that came, thank you for being safe in school and thank you for showing your enthusiastic appreciation for the children's achievements.

Our thanks also to the *Friends* for providing refreshments.

We were also very pleased to be able to show many of our newer parents around the inside of school for the first time.

School Staff Golden Book Announcements

Two members of our staff also have cause for a Golden Book celebration this week;

- **Miss Gray** received the news that she has successfully qualified as a National Special Education Needs Coordinator (SENCo) gaining a Distinction in the process.
- **Mrs Lister** successfully completed her Foundation Degree in Teaching also gaining a Distinction.

Our congratulations to both of them.

HAPPY BIRTHDAY

Happy birthday to Millie Rushton and Harvey Langstaff who celebrated their birthday this week.

PE Days

On the days your child has PE please send them into school wearing their PE kit, including tracksuit trousers. Don't send their uniform in as the children will not be getting changed. Your child's PE days are:

- **Redwood:** Wed & Thu
- **Willow:** Tue & Wed
- **Birch & Little Oaks:** Thu & Fri. Wednesday's Forest School sessions are going very well, please keep sending in welly boots and waterproofs.

Are there any more Key Stage 2 children wanting to learn to play a stringed musical instrument?

Further Change to School Term & Holiday Dates - October 2021

Following last week's news about the change of term and holiday dates due to the newly announced Platinum Jubilee, the knock-on effect has necessitated a further amendment.

The amendment sees a Staff Training Day taking place on **Friday 22nd October** (instead of 27th May '22). The newly revised Term & Holiday Dates for this school year can be found on our website at:

<https://www.linton.n-yorks.sch.uk/parents/holiday-dates>

Year 6 Open Evening At Outwood Academy Easingwold

Parents of Year 6 pupils are invited to a Year 6 Open Evening at Outwood Academy Easingwold between 5pm - 8pm on **Tuesday 28th September**. Outwood have requested that only one parent accompanies each Year 6 pupil and that face masks are worn inside the academy buildings.

First Aid Champions.

Redwood Class First Aid Training

Redwood class pupils all took part in a live online first aid lesson last week courtesy of the British Red Cross. The instructor was very impressive with the level of first aid knowledge the children already had, and the depth of answers they had when asked to do deal with certain injuries. Well done **Redwood**.

Apples and Pears. Apples and Pears.

The regular bouts of rain and shine over the summer have produced an abundance of fruit in our garden; not just apples and pears, but rhubarb and blackberries too. Parents are invited to bring a tub and PYO following drop-off or before pick-up.

The garden area is accessed via the staff carpark and is very overgrown and tricky to navigate round; it is therefore **not currently suitable for children**, parents only please. Parents would be doing us a wonderful favour if they also brought some secutars and were able to cut back some of the foliage whilst foraging.
