

Year 2 Newsletter – 17th September 2021

Our learning this week:

This week in Year 2 we have carried on the fantastic work in English by writing our own wanted posters for the Last Wolf. We have published our work and it will also be on the class blog for you all to see! In maths, we have taken our learning a step further by investigating how to partition two-digit numbers. The children have used a wide range of resources to partition numbers and have enjoyed the challenge of finding as many ways as possible to partition numbers. In learning mission, we have been learning about the continents and oceans of the world. The children created their own maps and 3D globe. In Science this week, the children have been investigating which materials are used around us in the environment. The children have started their music lessons this week! They have loved exploring musical techniques.

Important dates:

September

Tuesday 21st - The Den Special Event

Thursday 23rd - Settling In Session - 3.30-6pm

Monday 27th - Governors 4pm

Thursday 30th - Governor Training Day
