

## Year 3 Newsletter – 17<sup>th</sup> September

### Our learning this week:

We have had a wonderful week together in Year 3. The children have continued to shine as they settle into the new routines in Key Stage 2. In maths, children have been learning how to order 3 digit numbers, finding 1/10/100 more and less, too. In English, we have been developing our skills, using adverbial openers and expanded noun phrases to make our recounts exciting! We even did our first piece of publishing. In learning mission, we learnt about different human and physical features there are in our local area and compared those to the geographical features in our core text. The children have been developing their basketball skills in PE, we have learnt how to keep control of the ball when stationary and when moving. During forest schools, we have identified a variety of different trees, recognising them by their leaves.

### Important dates:

#### **September**

Tuesday 21st - The Den Special Event

Thursday 23rd - Settling In Session - 3.30-6pm

Monday 27th - Governors 4pm
