

Reception Newsletter – 17th September 2021

Our learning this week:

What an amazing week in Willow Class! The children are becoming so confident in their new environment. The children love to colour and have been super artistic this week with lots of designing, flag making and painting. We are also enjoying playing in the sand and building towers! We loved forest school this week, where a scavenger hunt led us to lots of findings and wonderful discussions. The children were super at caring for the space and understanding the importance of looking after nature. We have been practising counting to 10 and beyond and started to practise our name writing skills too. We love doing 'Squiggle While you Wiggle' where we dance with flipper flappers to help with our strength and stamina when writing.

Well done for another wonderful week Willow Class!

Reminders:

- We are asking parents to wait at the main school gate and follow normal procedure on a morning rather than coming to the classroom gate. This will support children's independence when coming into school. I will be outside to meet your little ones.
- Please bring in wellies if you haven't already!
- No dogs should be entering the school playground and they must not be on school grounds.
- Please can children leave all toys at home now they have settled.
