

**Year 1 Newsletter – 17th September 2021**

Our learning this week:

*Well done Year 1, you have worked so hard this week! Keep it up!*

In maths we have continued to learn about place value. We have been very busy using lots of resources such as 100 squares and number lines to show different representations of numbers. We have been practising writing numbers in words and at the end of the week we completed some tricky maths problems.

In English this week we have continued to explore our core text: The Great Paper Caper. We have collected lots of adjectives to describe the bear for our posters and on Thursday we wrote questions to ask the bear when we catch him!

In science we have been learning about plants and labelling the various parts of a flower.

For learning mission this week we have been practising tying knots to make sure our dens in forest school are secure. We have also been learning how to tie shoes laces, sketching picture of insects and using tools at forest school.
