Transforming Results, Transforming Lives

We are delighted that as Brayton Academy enters its sixth year our success as a vibrant and innovative school continues. We provide outstanding education and are delighted our students make much greater progress than other students do nationally.

Come and meet our staff on Saturday 2nd October 2021 or speak to main reception on 01757 707731 to arrange to view our academy on one of our coffee mornings on a different date.

We look forward to welcoming your child to Brayton Academy.
