20th September 2021

Dear Parents

As part of the children's first Year 5 science topic 'Space' we have invited a Planetarium into school to deliver a visual experience to all Year 5 pupils. This unit involves looking at our solar system. This will take place on Tuesday 12th October 2021.

The school considers that it is important that your child has the opportunity to gain first-hand experience through trips during school hours. Some of our trips are in the local area and are at no cost. Other trips are further afield and incur a cost. The school is able to fund part of our planned programme of trips/visits but requests a contribution from parents to enable all of our trips/visits to proceed. For these trips/visits we ask parents to make a contribution of up to 50% of the cost of the trip/visit and therefore the parental contribution for this trip/visit is £1.40. **Payment should be made on-line at <https://www.scopay.com/login.html> by Monday 11th October 2021.**

Thank you for your continued support with your child's learning.

Yours sincerely

Miss Neate
