Mrs Truslove writes

It is a real joy to see and hear how the children are interacting on the playground. I have seen older children encouraging and supporting younger ones in a range of games and activities, showing skills and maturity way beyond their years. It is this attitude and atmosphere that makes us all proud to work here and brings joy to our days. Well done everyone.

We have had a variety of coughs and colds, and a vomiting bug in school recently, as well as a small number of Covid cases. Please can I ask that if your child is unwell that they stay at home to prevent spreading germs, and as always if they display any Covid symptoms, or have had a positive contact, please test before they come to school. This is the easiest way to ensure that school continues to operate as normal. Thanks for your support in this.

Mrs Barnes/Mrs Truslove – Red class

Next week in maths, Year 1 will continue to practise number bonds to 5 and 10 and number formation. In English, Year 1 children will be using their senses to begin to write a simple poem. Reception will be exploring counting and describing their favourite foods.

Mrs Gibbins – Green class

Tables next week are the 4x.

Homework is in the green book. Please remember it needs to be returned to school on or before the following Wednesday after it is given out. Failure to do so will result in a missed playtime.

We have started work on programming in computing. The children have thoroughly enjoyed it. Ask them to show you. They are very good at it.

Mrs Pickles/Mr Wilkinson – Blue class

Next week in maths we will be working on mental and written addition and subtraction methods.

We are moving on to the 8x table next week.

Homework this week: We are back to the usual spelling homework sheet.

Please learn or revise the continent and oceans from the homework last week (sheets have been returned) for another test next Friday (these must also have the correct spelling!) – it did not go well this week!
